

LOMA Society of Ohio  
Expanding Your Professional Horizons

## Letter from the President

Nick Moulakis, FLMI, ACS  
President, LOMA Society of Ohio

Members,

As I look back on the past two years serving as President of the board, my mind goes quickly to the incredible work the board has done and the wonderful events that have engaged all the membership—and, perhaps second, commiserating about the late nights studying for LOMA exams! The strength of this group and the participation of our members isn't just recognized by me, on a national level, LOMA Society of Ohio has won in all 5 categories of the "Outstanding Society Awards" each year. There will be plenty more, I'm sure.

Looking forward, I am excited to announce our incoming President, Christopher Shenesky who will be taking the reigns over the coming months. Chris is a longtime member of the society and key partner on the board the past two years serving as Vice President. I anticipate he will have many new and exciting ideas to help keep the society strong and ever-evolving.

Please look for details about our upcoming luncheons in Cincinnati on page 2.

—we look forward to seeing all of you soon.
